

## **Shop Recovery Stuff Standard Shipping & Delivery Policy**

Standard shipping is free to the lower 48 states. Shipping to Hawaii and Alaska may incur an additional fee depending on the items ordered. We typically ship within 1-2 business days from when you place your order.

### **How We Ship**

We ship via all major carriers, including UPS, FedEx and the United States Postal Service (USPS). **ShopRecoveryStuff.com** will use its discretion to choose the most appropriate carrier for the safe and efficient delivery of your order.

### **Standard Shipping**

Our standard shipping method for most products is ground shipping. In most cases, you will receive your product within 5-10 business days using ground delivery.

### **APO/FPO Shipping**

We can ship some of our products to APO/FPO locations. The typical delivery time for deliveries to U.S. military post office locations will vary based upon the military location. For government agencies requiring specific delivery options please email us at: **Orders@ShopRecoveryStuff.com**.

### **P.O. Box Shipping**

We can ship some products to a P.O. Box. We will ask for a physical shipping address if we determine that the product(s) cannot be shipped to a P.O. Box location.
